By signing this form, I certify that this contribution is being made from my own personal funds, is not being reimbursed in any manner, and is not being made as a loan to the committee. Contributions to Rory for New York are not deductible for federal income tax purposes. The maximum permissible contribution is $5,000. Federal PACs can give up to the limit, but must register with the NYS Board of Elections for contributions exceeding $1,000 in a calendar year. Partnerships that make contributions exceeding $2,500 will be required to specifically identify the partners responsible for the contribution, and that amount will be counted against each partner's individual contribution limit. Total contributions from a corporation or limited liability company (LLC) may not exceed $5,000 per calendar year to all New York state and local political committees. All contributions made to a campaign or political committee by an LLC shall be attributed to each member of the LLC in proportion to the member's ownership interest in the LLC. Corporations, other entities and individuals are strictly prohibited from reimbursing another person or entity for making a contribution. All contributors must be from US citizens or permanent resident aliens (green card holders).
